

Planning can feel overwhelming, but being spontaneous can make you feel unprepared. RecoMedia bridges the gap. RecoMedia is a calendar and location-based media recommendation app. We provide great recommendations for movies, music, shows, and more, that are relevant to your upcoming trips and events.

Whether you're hyping up for a weekend getaway, trying to immerse yourself in a new culture, or just seeking inspiration, RecoMedia makes planning stress-free and enjoyable. Let us help upgrade your moments into unforgettable experiences, one recommendation at a time.
